👁 3 ✓ 0 ★ 1

Chapter 1 by Yaqsan A

And then they walked down the street with the lamp. The street that has seen many stories like this one. This street does not believe in the stories that were made upon its ground. Yet those stories are as real as they can be. This street has seen all the lies and the truths. It has seen sadness and forgiveness. But it has never seen the emotion they call love.

The story as told by the Street with the Lamp.

This story starts as the Lamp loses its light, "Its getting dark darling, too dark to see." "I placed my trust at the end of this street. Thats why I hold with all I have". The boy ended his speech with, "Love will not break your heart".

With that the boy left. The Lamp in the street has lost its light. The street knew its timing was wrong.

Its timing was always wrong.
